

A Reference Circular Economy Platform in France

Who are we ?

- ❑ A 5 Y old collaborative platform for the entire value chain
- ❑ 32 partners : Arkema, BASF, Coca-Cola, Elipso, Fédération de la plasturgie, Ineos, Michelin, PlasticsEurope, Séché, Solvay, Suez, Total, UIC, Veolia...
- ❑ a place of dialogue and co-construction with stakeholders / national & EU level
- ❑ to remove barriers / promote circular economy development

What we have achieved? (1)

- **Project leader / collaborative study : “Development of plastics recycling industry” - Deloitte - 14 months - 14 workshops**
 - ➔ **a 5 Y “green deal” with 3 targets:**
 - ❖ + 300 Kt of plastics recycled
 - ❖ 500 kt of Sorting Refusal (SRF) used in industrial processes
 - ❖ 2000 jobs to be created – 150 M€ financing to mobilize
- **E-collaborative platform**
 - ❖ 250 members
 - ❖ Cross fertilization / best practices / contacts & networking

What we have achieved? (2)

- ❑ **partnership with ADEME / call for projects “ORPLPAST”**
 - **short term use of plastic wastes by end-users**
 - ❖ Tremendous interest : 140 submissions - 94 projects supported - 115 M€ value

- ❑ **PWC 2016-2017 study - *work in progress***
 - ❖ mid-term mechanisms (5 Y min.)
 - ❖ to secure plastics recycling value chain business models
